# Day 2

We have had an exciting two days at VBS meeting new friends, having fun and learning new VBS songs. By now, each family should have received their copy of the Weird Animals VBS CD of songs so we can share with you the fun of VBS at home.

In addition, each year the children, crew leaders and adult volunteers of VBS take part in a mission project to help make the world around us a little better. Please watch for a separate flyer this week on this year's mission project, helping local animals in need.

Today's Bible Buddy is Fern, who has very leafy-looking ...well I guess you'd have to call them leaves. Except they are not really leaves, because Fern is not a plant at all. She is a lovely, leafy sea dragon. God made her unique and special so that she can blend in with surrounding plants and stay safe. She shares the message that:

**Even though you're different...  
Jesus loves you!**

### On Day 2:

Sing & Play Stampede	We got a sneak peek at the <b>Day 2</b> Bible Point and met Fern. Today, "Dr. Paws", wants the right habitat for a very special pet.
Bible Adventures	Took part in the Bible Story of the Samaritan woman at the well. (John 4:1-30).
Untamed Games	Get out the buckets! It's "Fill up time"!
Critter Café	We made "Masterpiece Munchies"! mmmmm...de-licious
KidVid Cinema	Patrick shared his story and told us what it is like to have autism.
Imagination Station	Created masks to show off that we are each special and unique.
The Tail End	We saw the stars of today's Spotlight VBS and sang new songs.

### Day 2 Key Verse:

"For we are God's masterpiece. He has created us anew in Christ Jesus." (Eph 2:10)
