# Mission

Each year at Vacation Bible School, the children, volunteers and families get together for a mission to help make the world a better place. Since this year's theme is "Weird Animals", our mission project this year is helping to care for animals at a local animal rescue.

Please consider donating one of the much needed items for animals listed below or a small monetary donation. If each of us donated \$3, together, we could provide for the vaccines, neutering, vet care, food and other supplies needed to give a second chance to a lucky dog or cat. Donations of items or offerings will be collected each morning at the first station "Sing & Play Stampede" (or feel free to donate online—see below).

### Items needed:

Towels and blankets

100 foot garden hose

Wet cat food

Frontline Plus

Skin so Soft (helps keeps the bugs off dogs in the summer)

Scratching posts and cat toys

Wet dog food or dry dog food

## Found Puppy

Do you know this sweet girl? How very fitting that this beautiful puppy came in for help on Day 1 of VBS—it's true! She just walked right into the chapel at St. Luke's. She is lost and we are trying to reunite her with her family. She is very friendly and is stunningly beautiful with one blue eye and one green. She has a silver collar with no tags. Anyone with any information about her lost family, please contact the Putnam Valley Animal Shelter 845-526-3293.

To donate on line, see the wish list: <http://www.wishlitr.com/pets-alive-westchester>
